\* An initial administration fee of £9.50 will be collected with your first payment only.

\*\* The provision of routine examinations is subject to receipt of the required consecutive monthly payments.

\*\*\* Discounts only apply to treatments carried out at the practice, exclusions apply.

\*\*\*\* The Worldwide Dental Emergency Assistance Scheme is a scheme established to offer support and assistance to dental plan patients who request treatment following a dental trauma and/or dental emergency or oral cancer. The Scheme responds to requests for assistance on a wholly discretionary basis. This means that, whilst the Scheme aims to provide benefits in most cases, it has no obligation to provide any benefit unless it first decides (in its sole and absolute discretion) that it should provide a benefit. There are some circumstances in which the Scheme is not designed to help and these are explained in more detail in the Scheme Handbook. Each request will be looked at individually to assess the request for benefit. Certain restrictions and limitations may apply in the event that the request is accepted and it is possible that the Scheme will decide to provide no benefit.

## Relax and enjoy Club Class Membership

We understand that people expect far more from their dental practice these days, and we take pride in the fact that we are able to offer the very best that 21st century dentistry can offer. Being a Club Class member makes all of this affordable for you.

A monthly Direct Debit takes care of your regular six month examinations with your dentist, includes all x-rays and two (Club Class) and four (Club Class Plus) hygienist appointments per year. With just these appointments you are already saving on the standard pay-as-you-go fees.

Hopefully, you won't need to have any treatment, but if you do, it will be up to 10% less than our standard fees ... so it's easier to relax and enjoy the time you spend with us.

### If you would like to become a Bancroft Club Class member it really is best to sign up soon as places are strictly limited.

We are incredibly proud that it is doing so well and that so many of our clients have chosen to join.

We are now in our last phase of offering membership places, and once these have been taken, membership will be available by waiting list only.

Should you have any questions regarding Club Class Membership or are wondering if it's right for you, as you already have some other form of dental insurance, please ask any member of our team who will be pleased to discuss it with you.

### All you need to do now is...

Tell us you wish to join and we will guide you through the paperwork.

All you need is to have your bank details available on the day if you wish to complete the process whilst at the practice. You can of course take the registration form away, and as soon as the completed form is returned to us, we will process the application for you.

Once you receive your membership pack through the post, you are ready to enjoy all the great benefits that Club Class provides.

**It really is that simple.**
